Communal Table

\$68 PER PERSON

The **Communal Table** is a hearty meal that will bring everyone together.

Served 'family style' with entrees and mains placed in the centre of the table. Guests help themselves to carefully crafted platters of food that are passed amongst the group. Desserts are selected and plated individually, because we know its hard to share sweets!

If members of your group have specific **dietary requirements**, we are happy to accommodate with advance notice.
